Dear Athlete/Parent/Carer,

Your annual Club membership is due for renewal 1st Feb 2026

Please renew your membership as soon as possible (at the latest 28th Feb) so your new membership card, which must be shown at training, can be issued to you. If you no longer wish to continue as a member of BDAC send your resignation to: chair@braintreeanddistrictac.co.uk

At our AGM in November annual membership fees were increased by £3 due to the England Athletics registration fee rising by the same amount.

As your membership is renewed, please can I remind all athletes of their commitment to compete for the club throughout the forthcoming year. This can be in Cross Country, Track & Field Leagues, Road Running/Marathons and County/Regional/National Championships. If a member does not compete for the club at least three times during the year (including one fixture/track meeting/competition away from Braintree) then the Club reserves the right not to accept their application for the following year. (This does not apply to new athletes who joined part way through the membership year or the under 11 age group because they have a restricted number of events they can compete in.)

On the membership renewal form please include any updates to medical conditions or emergency contact details.

Members signing the renewal form agree to abide by the Code of Conduct for Senior Athletes. As a parent signing the form for an under 18-year-old, you are agreeing that they will abide by the Code of Conduct for Children and Young People (Under 18) and that you will abide by the Code of Conduct for Parents/Carers. Copies of these Codes of Conduct can be found on our website under 'Membership'.

If you pay for training using the monthly standing order, please make sure that you have included the athlete's name as a reference. This helps when the treasurer checks the fees on the bank account. If for any reason you need to cancel the monthly standing order during the year, please advise the chair@braintreeanddistrictac.co.uk

Finally, the club would not be able to run without its volunteers. Please consider where you might be able to give up some of your time to support the club by completing and returning a Volunteer Form or speak to a committee member.

Many thanks to you all and hope you have a successful 2026.
